Rugged Fiber Jumpers Ready to Ship

Are you needing quality fiber jumpers? We have solutions! We carry Corning ClearCurve rugged cables that feature a protective jacket for UV exposure and extreme weather, have bending capabilities and can even be stapled. Just one of the many Last Mile products that we carry to make your life easier.

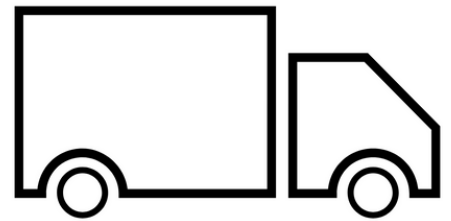

ATTENTION ~ Join Our Buyback Program

Gain immediate value to reinvest into your business.

Lessen your environmental footprint.

Kick back while we arrange shipping logistics.

Did you know that we have a Buyback Program?

If you're ready to push that old equipment out the door take a look at how easy our process is. By using our program we are able to purchase your surplus equipment which in turn helps replenish inventory, helping more companies such as yourself.

Our goals are simple:

- Act as your reliable resource
- Help others in our industry with replenished supplies
- Reduce the carbon footprint by providing recycling and scrap options

Check out our website for complete details and if you're ready to discuss further fill out our bid form!
