

Connecting You with Long-Haul Fiber

So many of our customers are now involved in fiber so it only makes sense for us to broaden our inventory solutions. That said, you can now use us as your long-haul fiber supplier.

In fact, we want you to think of us as your resource for all **outside plant** necessities; including aerial & underground. Additional inventory includes:

- Duct
- Handholes
- Splice Enclosures
- OptiDrops
- FOSC Main Enclosures

Questions about a product? Needing specs for a project? Not sure what you need and want to connect to folks who can direct you? Reach out ~ we are ready to help!

NOTE: 12/23 & 12/26 OUR OFFICES WILL BE CLOSED FOR CHRISTMAS

Project Complete

One of our goals for 2022 was to expand our repair/ testing facility at our Texas location. We can now excitedly announce its completion! This larger space translates to improved efficiency in processing, testing and repairing of your orders.

If you want to learn more about us or are ready to get a quote for services, be sure to visit our website!

Did you know that we carry our own line of 3RD PARTY OPTICS?

A few reasons to order from us:

- We can save you \$\$\$
- Backed by a lifetime guarantee
- We stand by our product & offer support

It's simple ~ Keep your costs low for products with the same specifications as OEMs, while using a company you already know and trust.
