

## Product Spotlight

**PRECISION FIBER**

### Looking to purchase fiber panels?

Fiber panels are in demand and we know that you are needing a solution. While other companies are struggling with backorders and large lead times, our partnership with Precision Group allows us to ship this product within 4-6 weeks from completed order.

At United Tel-Supply we understand the market and how shortages effect our industry. We take pride in securing the most reliable sources so our customers are able to fulfill their obligations.

## Our Partners

Our partnerships allow us to provide you with the most competitive pricing and lead times. We have the resources to successfully fill your orders and ensure that they ship to you without delay.

Let us provide a quote for your next equipment purchase.

## Let's talk repairs.

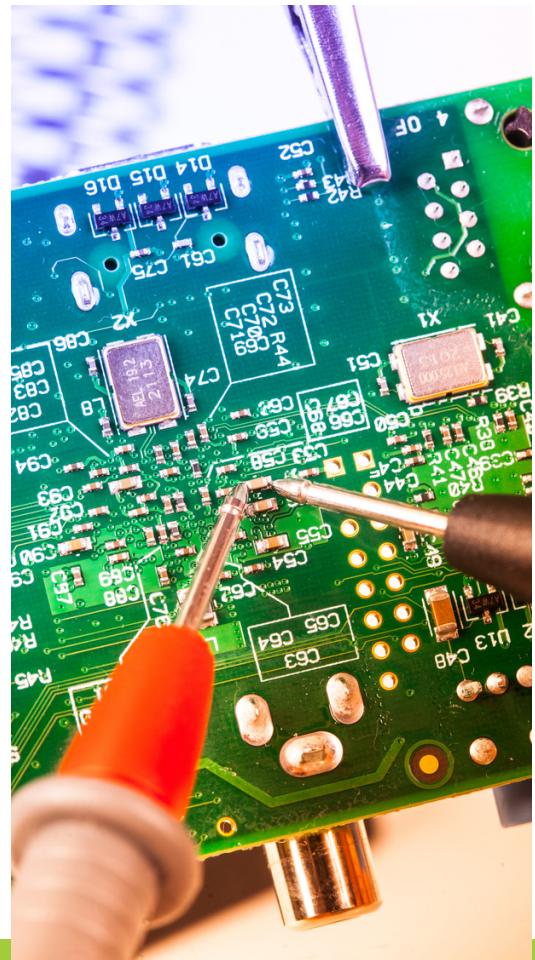

Many customers know us as the solution provider for their supply needs, but **did you know that we also have a fully functional in-house repair team?**

We specialize in a broad range of repairs, including network, power, ONTs, and test equipment.

Our services include a one-year warranty on most items and any equipment deemed as nonrepairable is always free of charge.

With decades of experience our repair department is simply the best in the industry.

Give us the opportunity to earn your trust.

## A MESSAGE FROM ZACK & TODD, OWNERS OF UNITED TEL-SUPPLY INC

As we celebrate 10 years of our business we want to express how thankful we are for each and every relationship that has been made along the way.

Please continue to keep us in mind for any of your equipment needs.
